

River Parishes Community College has implemented a new Transcript Ordering System, and will be transitioning to this new system on August 25, 2017. The cost to students for official transcripts will be \$5.00 per request. This new transcript ordering system will follow the same beginning process when requesting your official transcript(s), by choosing the link under 'Student Home' and then selecting 'Request Official Transcript'.

Once you've completed the request for transcripts you'll be direct to National Student Clearinghouse payment screen. Once the \$5.00 fee has been paid your transcript request will be processed
