PROGRAM PURPOSE AND GUIDELINES

River Parishes Community College has established cross-enrollment agreements with Nicholls State University, Southeastern Louisiana University, and Southern University at New Orleans. Through cross-enrollment at one of these institutions, RPCC students have the opportunity to take courses not offered at RPCC. The following guidelines apply to all RPCC students wishing to cross-enroll:

1. Students are eligible to cross-enroll only if they meet the admission requirements of the host institution.
2. When cross-enrolling, RPCC students may choose only those courses not offered at RPCC.
3. Students must meet the prerequisites for the courses in which they are cross-enrolling.
4. Students may not schedule more than two courses (six hours) through cross-enrollment. Addi-

RPCC courses are subject to all deadlines in the RPCC Academic Calendar. Courses taken through cross-enrollment are subject to deadlines established by the cross-enrollment institution.

CROSS-ENROLLMENT PROCEDURES

Students interested in cross-enrolling should complete the following steps:

1. Register for classes at RPCC.
2. Determine which courses you wish to take through cross-enrollment. You will need to visit the other institution's Web site to see their schedule of classes and available courses .
3. Look at the institution's catalog to verify that you meet course prerequisites. You will not be allowed to cross-enroll in a course if you do not meet prerequisites.
4. Call the Office of Student Services to schedule a cross-enrollment appointment.
5. Bring your list of chosen classes (including department, course number, section num-

ber, days, times, etc.) to your meeting. With this appointment, you will fill out a cross-enrollment registration form. This form will be sent to the cross-enrollment institution. Once the form has been processed, the cross-enrollment institution will notify RPCC of your enrollment status.

6. Please note that completion of a cross-enrollment registration form does not guarantee that you will be added into your chosen courses. You will be added only if space is available at the time that your form is processed by the other institution.
