    B. You must complete CHEM 1010 before you can schedule CHEM 1020.
    C. None of the above.

That’s it! You’ve completed your orientation and quiz. Your next step is to call the Office of Student Services (225-675-8270) to sign-up for a Freshman Advising Session. For your convenience, there’s a space below for you to write down the date and time of your advising session.

Freshman Advising Session Date and Time: ______________________________________

When you come to this session, be sure to bring your completed quiz with you. Your quiz is your ticket to the session.

During the advising session, you will have the opportunity to meet with Student Services Staff members who will help you with course selection. In addition to scheduling classes, you will receive a copy of your course schedule and fee bill, a parking tag for your car, and a student ID card.
